PART II

INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

Item 3. Incorporation of Documents by Reference.

The Company's Annual Report on Form 10-KSB for the year ended December 31, 2000, filed by the Company with the Commission, is incorporated herein by reference:

All documents subsequently filed by the Company pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Exchange Act prior to the filing of a post-effective amendment that indicates that all securities offered have been sold, or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference herein and to be a part hereof from the date of the filing of such documents.

Item 4. Description of Securities.

The Company is authorized to issue 500,000,000 shares of common stock, no par value per share, of which 97,950,128 shares are issued and outstanding as of the date hereof. The outstanding shares of common stock are fully paid and non-assessable. The holders of common stock are entitled to one vote per share for the election of directors and with respect to all other matters submitted to a vote of stockholders. Shares of common stock do not have cumulative voting rights, which means that the holders of more than 50% of such shares voting for the election of directors can

elect 100% of the directors if they choose to do so. The Company's common stock does not have preemptive rights, meaning that the common shareholders' ownership interest in the Company would be diluted if additional shares of common stock are subsequently issued, and the existing shareholders are not granted the right to maintain their ownership interest in the Company. Upon any liquidation, dissolution or winding-up, the Company's assets, after the payment of debts and liabilities and any liquidation preferences of, and unpaid dividends on, any class of preferred stock then outstanding, will be distributed pro-rata to the holders of the common stock. The holders of the common stock do not have preemptive or conversion rights to subscribe for any other securities and have no right to require the Company to redeem or purchase their shares. The holders of Common Stock are entitled to share equally in dividends, if, as and when declared by the Board of Directors, out of funds legally available therefor, subject to the priorities given to any class of preferred stock which may be issued.

To date, The Company has not paid any cash dividends. The payment of dividends, if any, on the common stock in the future is within the sole discretion of the Board of Directors and will depend upon earnings, capital requirements, financial condition, and other relevant factors. The Board of Directors does not intend to declare any dividends on the common stock in the foreseeable future, but instead intends to retain all earnings, if any, for use in business operations.

2

The Company uses Standard Registrar and Transfer, Inc., in Draper, Utah as its transfer agent for the common stock.

Item 6. Indemnification of Directors and Officers.

The Company's Articles of Incorporation eliminate liability of its directors and officers for breaches of fiduciary duties as directors and officers, except to the extent otherwise required by the Nevada Revised Statutes and where the breach involves intentional misconduct, fraud or a knowing violation of the law.

Section 78.7502 of the Nevada Revised Statutes contains provisions for indemnification of officers and directors of the Company and, in certain cases, employees and other persons. Each such person will be indemnified in any proceeding if such person acted in good faith and in a manner which such person reasonably believed to be in, or not opposed to, the best interests of the Company, and, with respect to any criminal action or proceeding, had no cause to believe his conduct was unlawful. Indemnification would cover expenses, including attorneys' fees, judgments, fines and amounts paid or to be paid in settlement.

Item 9. Undertakings.

A. Undertakings Relating to Delayed or Continuous Offerings of Securities

(1) The undersigned registrant hereby undertakes to file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

(2) The undersigned registrant hereby undertakes that, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

3

(3) The undersigned registrant hereby undertakes to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

B. Undertaking Relating to the Incorporation of Certain Documents by Reference

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

C. Undertaking Relating to the Incorporation of Annual Report to Stockholders

The undersigned registrant hereby undertakes to deliver or cause to be delivered with the prospectus, to each person to whom the prospectus is sent or given, the latest annual report to security-holders that is incorporated by reference in the prospectus and furnished pursuant to and meeting the requirements of Rule 14a-3 or Rule 14c-3 under the Securities Exchange Act of 1934; and, where interim financial information required to be presented by Article 3 of Regulation S-X is not set forth in the prospectus, to deliver, or cause to be delivered to each person to whom the prospectus is sent or given, the latest quarterly report that is specifically incorporated by reference in the prospectus to provide such interim financial information.

D. Undertaking Relating to Registration Statement on Form S-8

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
